How You Can Help!

Pee Wee Peddlers

With the success of Lance Armstrong in the Tour de France, interest in cycling is growing.

The Alkek Velodrome is a permanent cycling facility in Cullen Park that offers recreational and competitive programs for youth and adults alike.

Greater Houston Cycling Foundation

The Greater Houston Cycling Foundation will be working with the City of Houston Parks Department to transition the management of the Alkek Velodrome for the 2007 season and beyond.

Capital Improvements

Significant funding and resources are needed to renovate the track. Future plans include a Cycling Center and improving the velodrome surface. Other needs include outdoor restrooms, landscaping, and maintenance.

Recreational Program

The Youth Cycling League is offered free of charge. Contributions will go towards providing equipment and supplies for this successful program.

Competitive Program

The Alkek Velodrome is host to over 35 competitive races each year. The Competitive program is designed to improve upon skills of the athletes and prepared them for regional, national and international events.

Join the Alkek Velodrome Team of Supporters
